Note to the Parents of our Athletes: We need your continued partnership.

We want the Challenger Sports experience to be a positive one for all of our participants. The Challenger program director, coaches, buddies and administrators are **all volunteers** who have contributed significant time and effort to help make our program a success over the last thirty+ years. However, we need your cooperation and help to continue in the future...

By signing up your athlete to play in our program, we ask that you assist us from time to time. Such assistance may include:

- Being a team parent to communicate Challenger info to other parents
- Being a school door monitor during our activities while your athlete plays
- Making phone calls to participants for scheduling changes or cancellations
- Assisting with equipment set-up and removal (if necessary)
- Assisting with field maintenance and clean-up (if necessary)
- Assisting with any unforeseen events

Note that many of these tasks **are required** by the Freehold Township Recreation Department to allow us to use their facilities each year.

Thank you in advance for your understanding and assistance. Our volunteer parents help make Challenger Sports a success for all of our athletes. If you have any questions, concerns or limitations, please feel free to discuss with Lloyd Frisher, in confidence, at 732-972-3892.
